

### Section 3.0 Introduction

#### **3-001 Scope**

Each section in this chapter of the *Construction Manual* corresponds to one of the first nine “General Provisions” sections of the *Standard Specifications*. This chapter contains guidelines and procedures for administering these sections of the *Standard Specifications*. The chapter also includes guidelines and procedures for topics within the scope of the *Standard ~~Specification~~ Specifications* sections, but not specifically covered by them.

#### **3-002 Purpose**

The purpose of this chapter is to ensure that the “General Provisions” sections of the *Standard Specifications* are enforced and administered uniformly for all Caltrans contracts by providing and establishing guidelines and procedures for administering contracts.

As with the entire manual, this chapter is not part of the contract and places no burden or obligation on the contractor. ~~Also, this chapter~~It is not a substitute for reading and understanding the General Provisions. It is, however, necessary reading for resident engineers and others who assist and support ~~resident engineers~~them in contract administration. This chapter answers many frequently asked questions about the procedures for administering contracts.
